

CURRICULUM VITAE

THEODOROS VLACHOS

Personal data

Date of birth: June 2, 1964.

Place of birth: Arta, Greece.

Citizenship: Greek.

Marital status: Married, with two children.

Office Address

Department of Mathematics

University of Ioannina

45110 Ioannina, Greece

e-mail: tvlachos@uoi.gr, tvlachos@impa.br

Research Interests

Differential Geometry, Geometry of Submanifolds.

Education

- BSc in Mathematics (1982-1986), Department of Mathematics, University of Ioannina, Greece
- PhD in Mathematics (1989-1992), Department of Mathematics, University of Ioannina, Greece (Advisor: Prof. Thomas Hasanis)

Positions-Research grants and visits

- Visiting Lecturer (1993-1994), Department of Mathematics, University of Crete, Greece
- Visiting Assistant Professor (1994-1995), Department of Mathematics, University of Crete, Greece
- Lecturer (1995-1999), Department of Mathematics, University of Ioannina, Greece
- Alexander von Humboldt Research Fellow (February 1997-July 1997), Technische Universität Berlin, Germany

- Assistant Professor (1999-2004), Department of Mathematics, University of Ioannina, Greece
- Alexander von Humboldt Research Fellow (September 2001-July 2002), Universität Augsburg, Institut für Mathematik, Germany
- Associate Professor (2004-2015), Department of Mathematics, University of Ioannina, Greece
- Alexander von Humboldt Research Fellow (February 2011-April 2011), Universität Augsburg, Institut für Mathematik, Germany
- Visiting position (July 2010, June-July 2011), IMPA Rio de Janeiro, Brasil
- Short visit (November 2012), King's College London, Department of Mathematics, UK
- Short visit (July 2013, August 2013), Leibniz Universität Hannover, Fakultät für Mathematik & Physik , Germany
- Short visit (September 2010, September 2012, February 2013, July-August 2013), Departamento de Matematicas, Universidad de Murcia, Spain
- Special Visiting Researcher scholarship, Science without borders: The Brazilian scientific mobility program at CNPq/MCT, Process number: 300976/2014-3 (February-April 2014), IMPA Rio de Janeiro, Brasil
- Alexander von Humboldt Research Fellow (May-July 2014), Universität Augsburg, Institut für Mathematik, Germany
- Special Visiting Researcher scholarship, Science without borders: The Brazilian scientific mobility program at CNPq/MCT, Process number: 300976/2014-3 (March-April 2015, June-August 2015), IMPA Rio de Janeiro, Brasil
- Special Visiting Researcher scholarship, Science without borders: The Brazilian scientific mobility program at CNPq/MCT, Process number: 300976/2014-3 (March-April 2015, June-August 2016), IMPA Rio de Janeiro, Brasil
- Visiting position (July 2-August 5, 2017), IMPA Rio de Janeiro, Brasil

Current position

- Full Professor (2015), Department of Mathematics, University of Ioannina, Greece

Publications

1. Hasanis, Th. and Vlachos, Th.: A local classification of 2-type surfaces in \mathbb{S}^3 . *Proc. Amer. Math. Soc.* **112** (1991), 533-538.
